Response to Amendment

This office action is in response the amendment filed on June 7, 2007.

Claims 1 and 6 are pending for examination, claims 2- 5 and 7-10 have been canceled.

Allowable Subject Matter

Claims 1 and 6 are allowed.

The following is an examiner's statement of reasons for allowance:

Claims 1 and 6 are allowable because the prior art on record or that encountered in searching for the invention, fails to disclose or suggest the features of instant invention – a hardware failure diagnose system including methods that in response to user entered problem identifier and problem description test to generate a list of component troubleshooting recommendations for an equipment based on a plurality of collected computational statistical probabilities and conditional generated case based probabilities in a combination with all the limitations as claimed by applicant.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
